UPGRADED

Myton to Roosevelt

U.S. 40 MYTON TO ROOSEVELT WIDENING

TEMPORARY MAILBOXES:

UDOT is widening U.S. 40 to five lanes between 6250 South near Myton and Pole Line Road in Roosevelt. When construction is complete this fall, U.S. 40 will have two lanes in each direction, plus a center turn lane and ten-foot shoulders. This will reduce traffic delays and enhance safety for drivers.

To allow crews to widen the road, your mailbox will need to be removed. The project contractor will provide a temporary mailbox during construction, and your mail delivery will not be interrupted.

Please contact the project team by March 25 to coordinate placement of the temporary mailbox and removal of your current one and by emailing us40@utah.gov or calling (855) 740-8740.

CONTACT INFORMATION:

Hotline: **855-740-8740**

Email: **us40@utah.gov**

Website: **udot.utah.gov/go/mytonbench**

Please note that all construction is dependent on weather and equipment, and the schedule is subject to change.
